The Baldwin County Commission, during its regularly scheduled meeting held on January 17, 2017, appointed thirteen members to the Alabama 200, Baldwin County Bicentennial Steering Committee to plan and execute events and activities that would engage residents and visitors in educational programs, community activities, and statewide initiatives that teach, inspire and entertain. This committee was charged with celebrating the state of Alabama by celebrating the people, places and events of Baldwin County that helped to make our state great with history as our guide.

The Steering Committee set to work on several flagship projects including a curriculum of local historic events that can be integrated into the classroom and has been made available to all Baldwin County Public School teachers; a series of historical paintings commemorating the events at Fort Mims, Fort Blakely and Fort Bowyer; as well as a **Baldwin County Commemorative Book celebrating Our People, Our Places and Our Stories**. This coffee table book is like no other piece produced as it will highlight a little bit of that is Baldwin County – from history and heritage to festivals and events, from our Tensaw Delta to our white sand Beaches, from our flavorful food to our unique Jubilees – this is a book for Baldwin County as we celebrated the Alabama 200! **200 Baldwin County Legends** was another project set forth by The Steering Committee and endorsed by the Alabama Bicentennial Commission. Through puzzles and stories, you will learn about the 200 Baldwin County leaders, both men and women, their mark on Baldwin County and the great legacies they left behind. Much of the information received in this booklet is not historical and was handed down by tradition from earlier times and popularly accepted as historical.
