**FOR IMMEDIATE RELEASE**

**BALDWIN COUNTY, AL, April 20, 2022** – The Baldwin County Commission was made aware of concerns regarding the boat ramps at the new Launch at ICW site in Orange Beach, AL early on Monday morning.

Since being made aware of the concerns, Baldwin County has been working alongside all involved parties that had a part in the design and construction of this project to investigate the severity of the issues that are occurring.

The Baldwin County Commission will continue working to investigate these concerns while also working to address the issues.
