The Baldwin County Waste Siting Board solicits public comments and invites all interested citizens to attend a public hearing, on **Tuesday, August 1, 2023, at 8:30 a.m.** in the Baldwin County Commission Chambers in the Administrative Building located at 322 Courthouse Square, Bay Minette, Alabama, at which time the Magnolia Landfill Permit Modification to expand the service area to include Clark County, Conecuh County, Escambia County, Mobile County, Monroe County, and Washington County will be addressed.

This major modification will provide an expanded service area for the municipal solid waste landfill. The Magnolia Sanitary Landfill is described as being located in a part of the NE ¼ of Section 9 and of the NW¼ of Section 10, Township 7 South, Range 3 East in Baldwin County, Alabama. The total permitted area for the Magnolia Sanitary Landfill is 522 acres, with a disposal area of 287 .10 acres. All previously approved variances shall remain in the permit.

The property is within unincorporated Baldwin County. It is owned and operated by the Baldwin County Commission through the Solid Waste Department. The modification of this facility's ADEM Permit is consistent with the Baldwin County Comprehensive Solid Waste Management Plan.
